## **IMPORTANT ANNOUNCEMENT**

Dear St. Andrew's Kirk Family,

The Kirk Session is excited to share about an opportunity to strengthen our congregation and increase our witness for Jesus Christ.

Covenant Life Presbyterian Church (CLPC) is an independent Presbyterian congregation, in Nassau, founded by Rev. Dr. Julian Russell. Anticipating the expiry of their lease to meet at the National Stadium, CLPC has been prayerfully discerning where to physically gather in 2023. Conversations between our respective leadership teams have been immensely positive, prompting us to invite CLPC to begin worshipping and fellowshiping with us, beginning in January 2023. While this partnership will begin in a very informal manner, we are open to a more established, long-term partnership if this is where God and His Providence leads.

We would like you to be a part of this conversation. To this end, the Session of St. Andrew's Kirk is calling for a congregational meeting, immediately following worship, on Sunday, December 4. Providentially, former EPC Moderator, Rev. Dr. Case Thorp is visiting St. Andrew's that weekend, and will moderate this congregational meeting. This will be an excellent opportunity to share what God has been doing, and to field any questions you may have concerning this soon-to-be-forged relationship.

In Christ,  
The Session of St. Andrew's Kirk

### ***O Lord Of Hosts***

O Lord of hosts how lovely is Your  
Dwelling-place  
I cry aloud I long for Your abode  
The joys of earth have left my soul unsatisfied  
My heart and flesh desire the living God  
Within Your walls the sparrow finds a nesting place  
That near Your altars she may have her young  
How happy those who dwell within Your house O Lord  
By whom Your holy praises are for ever sung

How happy those who have in You  
The strength they need  
And in whose heart are Zion's pathways found  
The desert wastes they make a land of water-springs  
Till autumn rains refresh the barren ground  
From strength to strength they journey on  
Their pilgrimage  
Until in God's own presence they appear  
O Lord of hosts do good to Your anointed one  
Receive my earnest prayer O God of Jacob hear

How better far a single day within your courts  
Than thousands spent in any other way  
I'd rather wait upon the steps beside Your door  
Than pitch my tent where wickedness holds sway  
For like a shield the Lord defends and covers us  
He gives us grace and crowns with glory too  
And nothing good withholds from those  
That walk aright  
O Lord of hosts how happy all who trust in You
